

plan. Similarly, a State agency objection to the consistency certification for an OCS plan shall not prevent the person from receiving Federal agency approval for those OCS-related license or permit activities determined by the State agency to be consistent with the management program.

§ 930.83 Amended or new OCS plans.

If the State agency objects to the person's OCS plan consistency certification, and if, pursuant to Subpart H, the Secretary does not determine that each of the objected to Federal license or permit activities described in detail in such plan is consistent with the objectives or purposes of the Act, or is necessary in the interest of national security, the person shall submit an amended or new plan to the Secretary of the Interior or designee and to the State agency along with a consistency certification and data and information necessary to support the new consistency determination. The data and information shall specifically describe modifications made to the original OCS plan, and the manner in which such modifications will ensure that all of the proposed Federal license or permit activities described in detail in the amended or new plan will be conducted in a manner consistent with the State's management program.

§ 930.84 Review of amended or new OCS plans; public notice.

(a) After receipt of a copy of the amended or new OCS plan, consistency certification, and accompanying data and information, State agency review shall begin.

(b) Following receipt of the material described in paragraph (a) of this section, the State agency shall ensure timely public notice of the proposed activities in accordance with the directives within §§ 930.61 through 930.62.

(c) The State agency shall concur with or object to the person's consistency certification in accordance with the directives within § 930.79, except that the applicable time period for purposes of concurrence by conclusive presumption shall be three months instead of six months.

(d) If the State agency issues a concurrence or is conclusively presumed to concur with the person's new consistency certification, the person will not be required to submit additional consistency certifications and supporting information for State agency review at the time Federal applications are actually filed for the Federal licenses and permits to which such concurrence applies.

(e) Unless the State agency indicates otherwise, copies of Federal license and permit applications for activities described in detail in an amended or new OCS plan which has received State agency concurrence shall be sent by the person to the State agency to allow the State agency to monitor the activities. Confidential and proprietary material within such applications may be deleted.

§ 930.85 Continuing State agency objections.

If the State agency objects to the consistency certification for an amended or new OCS plan, the prohibition in § 930.81 against Federal agency approval of licenses or permits for activities described in detail in such a plan applies, further Secretarial review pursuant to subpart H may take place, and the development of an additional amended or new OCS plan and consistency certification may be required pursuant to §§ 930.83 through 930.84.

§ 930.86 Failure to comply substantially with an approved OCS plan.

(a) The Department of the Interior and State agencies shall cooperate in their efforts to monitor Federally licensed and permitted activities described in detail OCS plans to make certain that such activities continue to conform to both Federal and State requirements.

(b) If a State agency claims that a person is failing substantially to comply with an approved OCS plan subject to the requirements of this Subpart, and such failure allegedly involves the conduct of activities affecting the coastal zone in a manner that is not consistent with the approved management program, the State agency shall
